ADD-ONS. WHAT ARTISTS BUY. WHAT WE CHARGE.

Twenty services artists already pay for, priced against the 2026 US market and set to sit next to Basic, Mid and Viral. Every number is tied to a published source. The gap between $1,000 and $15,000 is where the money is.

01 · THE PRICE LIST

02 · THE GAP

$1,000 TO $15,000 IS EMPTY

Artists who outgrow Mid have nowhere to go but Viral. The market fills that space with release bundles at $2,500 – $5,000. Davy sells a single-release campaign from $5,000, an EP from $9,500, an album from $18,000, with paid social, PR and pre-save layered on. A PMG Release Package at $2,500 – $3,500 undercuts that and reuses what the shoot already produced.

RELEASE PACKAGE

$2,500 – $3,500

- COVER ART FROM THE SHOOT
- VISUALIZER
- 6 SHORT-FORM CLIPS
- SMART LINK + PRE-SAVE
- $500 MANAGED AD SPEND
- PLAYLIST PITCHING CREDITS
- EVERYTHING IN MID

HOW IT SELLS

› Fourth public tier on /start, between Mid and Viral.
› Clip packs and cover art as add-ons on the Tier step, next to the ad-budget add-on.
› Everything else is a quote. The contact agent already routes those to the team.
› Affirm on this tier: about $230 a month over 12 months.

MARKUP, FOR REFERENCE

The classic agency model is a 15% media commission, which is a 17.65% markup on net cost. Production invoices are commonly marked up 15 – 25%. Music agencies now advertise "ad spend never marked up" and charge a management fee instead. PMG should do the same: fee on top, spend at cost, said out loud.

WHERE THE NUMBERS CAME FROM

NOT VERIFIED

Freelance merch-store setup fees. NYC music-specific photographer day rates (thin; event photography used as the proxy). Pay-to-appear interview prices: On The Radar's founder says no artist has paid to appear. One $2,500 "release package" seen only in a single social post. Podlab's $300 session location.

PLATFORM RULES THAT MATTER

Spotify Marquee and Showcase need 1,000 streams in 28 days and 5,000 monthly listeners, $100 minimum, $250 through a rep. TikTok ads run over $50 a day. Affirm's minimum order is $50, so Basic and Mid qualify, not just Viral.
